## Intro

## Verse 1

Ground that's unmoving  
His word stronger than the waves  
Stronger than the waves  
this house that I'm building  
Will stand even in the rain  
Even in the rain

## Chorus

I wanna build my life  
On the rock of Christ  
A foundation unshakable  
Shining with the light  
For the world to see  
A house that lasts eternity

## Verse 2

Tested with fire  
Revealed the heart behind was seen  
The heart behind was seen  
Will I pass through it  
Receive all in store for me  
All in store for me

## Chorus

## Interlude

This will be  
My legacy  
A life lived for Him  
A life lived for Him  
In my heart  
Eternity  
A life spent with Him  
A life spent with Him

I want to build my life  
Shining with the light
