**Verse 1**

You do wonderful things  
Yeah I've seen them in me  
I was caught up in chains  
Bound to shame  
When you called my name  
You're the one with the keys  
Setting captives free  
And you're making a way  
Into glorious day  
No more grave

**Bridge**

Freedom feels good to me  
Freedom is everything  
Freedom is what you've done in me

**Pre-Chorus**

Oh my God  
Look what you've done  
Look what you've done  
Oh my God  
Look what you've done  
Look what you've done in me

**Chorus**

Now I praise you like a free man  
And I dance like no one's watching  
Singing "Oh My God"  
Look what you've done  
Now I won't look back behind me  
Cause my past is gone and buried  
Singing "Oh my God," look what you've done

**Verse 2**

You're the one with the keys  
Setting captives free  
And you're making a way  
Into glorious day  
And you're making a way  
Into glorious day  
No more grave
